

Data Protection Officer (DPO) in practice

Jolien Ghyselinck
DPO

Belgian Data Protection Authority

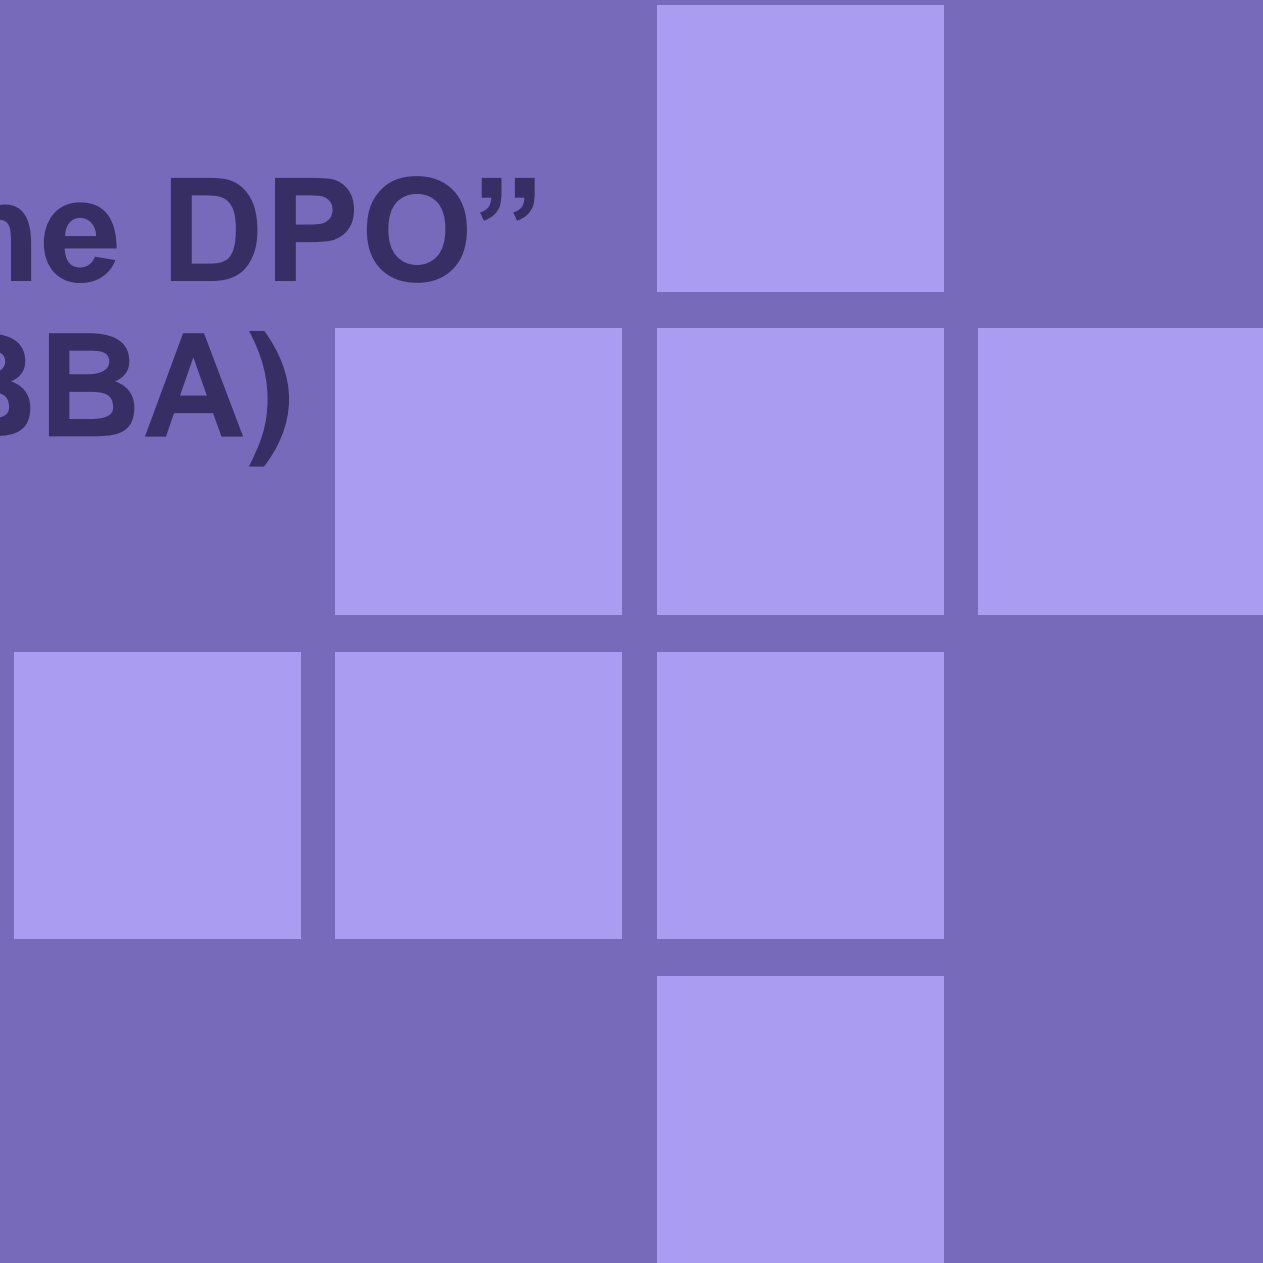

Vision:

“Leading towards a digital world where privacy is a reality for everybody.”

Strategic plan: importance of the **Role of the DPO** (one of the priorities)

“The Playlist of the DPO” (Thanks to ABBA)

Arrival

Does the GDPR apply?

Is the designation of a DPO necessary?

I've **(NOT)** been waiting for you

False start?

The day before you came

The importance of IMPLEMENTATION.

Gimme! Gimme! Gimme!

Controller / Processor needs to involve the DPO and invest in the DPO.

Does your ~~mother~~ **MANAGEMENT** know?

DPO needs to report directly to higher management.

Ring, ring

DPO informs, gives advice and monitors the Controller / Processor on compliance of the GDPR & other data protection provisions.

Man in the middle

DPO is contact point for Data Protection Authority / Supervisory Authority and for Data Subjects.

Crazy world

What is happening outside the organisation?
Does it have an impact on our organisation?

Tiger

Picking your battles.

Angel eyes

Staying patient, friendly and professional.

Dancing Queen

Having the time of your life!

When all is said and done

Never! 😊
